Come on__ come on come on__ yeah_ rit

Always in motion blur of commotion
Baby why can't you slow down
You're never in the same place tryin' to win that fast race
Gone when the leaves are brown

Always departin' never quite arrivin'
Your feet have left the ground
Must be objective be more selective
Until your place is found

I'm waitin' here to love you tryin' to keep those home fires warm
Put down our feet in that muddy soil wait out the gatherin' storm

What's diff'rent in a heartbeat people that you must meet
You look a bit forlorn
No time to write a letter and tell me things are better
What has been reborn

I'm waitin' here to love you just tryin' to keep those home fires warm
Lay down our roots in that muddy soil wait out the gatherin' storm

Jet cars and fast trains pills for my migraines
I guess you want it smooth
What is left to master stop plannin' for disaster
Is there anything left to prove

I'm waitin' here to love you tryin' to keep those home fries warm
Put down our roots in that muddy soil wait out the gatherin' storm

Come on come on come on yeah Oo oo oo oo
